

Dear Creative British School Community,

As we celebrate the 52nd Union Day of the United Arab Emirates, we are inspired by the nation's commitment to progress, unity, and sustainability. This year holds special significance as the UAE embarked on a journey of collective responsibility towards a more sustainable future.

Creative British School is proud to align with the UAE's vision for sustainability, and we take this opportunity to renew our commitment to actively support and integrate sustainable practices into our educational endeavors. Our aim is to instill in our students, staff and parents a profound sense of environmental stewardship, emphasizing the importance of sustainable living and responsible citizenship.

Through a curriculum enriched with ecological awareness, community engagement projects, and initiatives promoting sustainable habits, we aspire to contribute meaningfully to the UAE's vision for a greener and more sustainable tomorrow.

Together, let us embrace this year of sustainability as an opportunity to educate, inspire, and empower the next generation of leaders who will play a pivotal role in shaping a sustainable future for the UAE and beyond.

Wishing you all a joyous 52nd Union Day!

Warm regards,

Ms. Aisha Ashraf
