“Pink Day Fun”

Newsletter

October 2024

As your Headgirl, I'm excited to see all the amazing things our school community is achieving. Together, let's unlock our full potential and create a legacy of achievement that will be remembered for years to come. Let's nurture new challenges we stumble upon, celebrate our victories and foster a spirit of collaboration that will drive us forward. Remember, your future is in your own hands, and together, we can make this year extraordinary!

# Pink Day

# Awareness

CBS is delighted to announce that we're celebrating Pink Day, dedicated to raising awareness about breast cancer and showing our support to those affected. This day serves as a striking reminder to promote the early detection of the disease and unite to help fund research and care.

To show solidarity and commitment to making a difference, we encourage everyone to wear pink.
